This agreement made this _____ day of _____, 20_____

By signing below, I am confirming that I understand and am in agreement with the below differences in relation to the Fleetwide Fuel Access Card (hereafter known as 'Fleetwide Card') vs. the traditional CFN Fuel Access Card (hereafter known as 'CFN Card').

1. Fleetwide Card PIN numbers are 5 digits, CFN Card PIN numbers are 4 digits.
2. The Manual Entry option does not apply to the Fleetwide Card.
3. A 40-gallon limit is hard coded onto each Fleetwide Card. A custom per-fill limit can be requested, but may not function at all types of fueling stations, or a CFN station in local mode.
4. Security:
 - a. The product/gallon restriction capabilities may not function at all types of fueling stations, or a CFN station in local mode, at this time. Due to the Multiple Product Dispensers (MPDs) at some locations, we cannot limit the type of fuel/gallons a fuel access card can obtain. Silvas Oil Company, Inc. will not be responsible for unauthorized product(s)/gallon(s) obtained at a fueling station with MPDs, at CFNnet/POS stations, or CFN stations in local mode. There will be no reversal or credit given for unauthorized product(s)/gallon(s) obtained.
 - b. Non-fuel transactions could be authorized. This may occur on a single "non-fuel" product transaction, or if there are multiple products on 1 transaction. For example, the driver purchases fuel and is subsequently prompted for a non-fuel product (e.g. car wash, retail item, etc.). Since the fuel transaction was authorized, the non-fuel product will be appended to the completed authorized fuel transaction. Silvas Oil Company, Inc. will not be responsible for any "non-fuel" product obtained on a Silvas Oil Fuel Access Card. There will be no reversal or credit given for any non-fuel product(s) obtained.
 - c. CFN Cards and CFN/FLEETWIDE Cards are NOT CREDIT CARDS, they are FUEL ACCESS CARDS.
 - d. USER must notify SILVAS OIL COMPANY, INC. in the event of card loss/theft/misuse within 24 hours from date of loss/theft/misuse. SILVAS OIL COMPANY, INC. IS NOT RESPONSIBLE FOR PRODUCTS/GALLONS OBTAINED ON A LOST/STOLEN/MISUSED FUEL ACCESS CARD. DO NOT WRITE PIN ON OR NEAR CARD(S). **A Fuel Access Card may only obtain products/gallons if the assigned PIN, for that specific card, is entered/provided at time of use.**

Any of the terms in this agreement are subject to change. By using Silvas Oil Fuel Access Card(s) you agree with the terms herein, or as stated on www.silvasfuels.com at time of use, later terms shall apply. Not all features and/or controls are offered at all fueling stations or cardlocks.
